Hi Louise and Nancy,

Attached are the first round of FY 2018 budget and policy fact sheets for IO review. These fact sheets are for the press conference that accompanies the release of the President's Budget and for the Congressional budget hearings - the press conference is currently scheduled for May 22<sup>nd</sup> and the first hearing is expected the week of the 22<sup>nd</sup>. The fact sheets are due to OCFO by COB Wednesday, they will then go through staff level OCFO review, followed by OCIR/OCFO senior management review.

This first round fact sheets is from OPP and the topics are in the list at the end of this email. I have also attached the OCFO fact sheet template as a reference for you. Please provide me edits in any way that is the easiest for you. I apologize that I am unable to provide hard copies for your review.

All fact sheets are required to have 2 contacts provided in the footer of the document for the originator and approver of the fact sheet. OPP has provided their own internal contacts for their fact sheets, but I thought it may be beneficial to have a standard approach for all OCSPP fact sheets in the event that OCFO or OCIR reach out to the contacts directly. My recommendation would be the relevant Office Director or Deputy be the Originator and either yourselves or Wendy as the Approver. Please let me know how you would like to handle this and I will make

the changes to all fact sheets we submit.

I expect to send you the next round of fact sheets that will cover the OPPT topics this afternoon, and the final round in the early AM tomorrow. Please let me know if you have any questions or if I can be of any assistance.

Thank you,

Greg
